# POLYLOK™ Inc.

24" RISER SYSTEM

A — **24" HEAVY DUTY COVER**
(For Polylok Risers + Corrugated Pipe)
Part# 3008-HD

B — **24" LID-LOK**
(Can be used with 24" Standard Cover **C** *.)*
Part# 3008-LOK

C — **24" STANDARD COVER**
Part# 3008-RC

D — **24" X 6" RISER**
Part# 3008

E — **24" X 3" RISER / SAFETY PAN**
(Can be cast into concrete or installed anywhere in the riser stack. See **H1** + **H2** *.)*
Part# 3008-RP

F — **24" X 12" RISER**
Part# 3008-R-12

G — **24" / 20" ADAPTER RING**
(Allows Polylok risers to be easily retrofitted to an existing tank.)
Part# 3009-AR

H1 — **24" RISER SAFETY PAN**
(Allows a concrete cover to be used as well as a 24" Polylok cover for added protection. Can be cast into concrete or installed anywhere in the riser stack.)
Part# 3008-RP

H2 — **24" DUAL SAFETY COVER**
(Accepts a Polylok 20" cover inside the 24" riser stack creating a dual cover for safety. Modified 24" x 3" Riser Safety Pan + 20" Cover)
Part# 3009-KYDC

I — **24" RISER SAFETY SCREEN**
(Prevent unauthorized entry to the tank. Installs into the upper most riser in the riser stack.)
Part# 3008-SS
